## **Al Basti Equiworld extends support for owners and trainers**

Al Basti Equiworld, the UAE's leading distributor of horse feeds, veterinary products and equine supplements has extended its support for owners and trainers at Newmarket.

Al Basti Equiworld's sponsorship of the owners and trainers facility at The Home of Horseracing launched at the start of the 2015 Flat season, and has been extended this year to include complimentary airport transfers for visiting international owners who will be delivered to the racecourse in a fleet of Audi saloon cars, sporting the Al Basti Equiworld livery.

The initiative coincides with the announcement that the company is the latest to become an official partner of Discover Newmarket.

Al Basti Equiworld founder, Malih Al Basti said, 'We are delighted to support Newmarket's continuing efforts to ensure that the outstanding contribution made by owners and trainers is recognised as fully as possible. I am grateful to The Jockey Club, and in particular the team at Newmarket, for providing us with an opportunity to be a part of this initiative.'

No fewer than eight Al Basti Equiworld-sponsored jockeys turned out on the opening day of Newmarket's Craven meeting to mark the launch of the new service for international owners and the introduction of a dedicated parking area for riders at Newmarket.

### **About Al Basti Equiworld**

Established in 1998 **Al Basti Equiworld** is the leading distributor of horse feeds, feed supplements and veterinary medicines in the Middle East.

Al Basti Equiworld sponsors and supports equestrian activities in the UAE and the United Kingdom where the company's sponsorship portfolio includes 18 races on the Flat at Newbury Racecourse, a number of high profile jockeys and a dedicated section of programming on leading satellite horseracing channel, Racing UK. In 2014 Al Basti Equiworld became a major supporter of Greatwood the only organisation that uses ex-racehorses to educate disadvantaged children and young adults with special educational needs.
